Dear USS Independence CVL 22,

I'm so grateful for your recent contribution of \$6,094.96.

Even as you and I care for young men and women wounded in Afghanistan and Iraq, we must fulfill our promises to veterans of past wars through DAV.

We must remember the ruined spinal cord that has hampered one veteran's life since her service during the Gulf War. We cannot forget the vision another lost during World War II ... or the disease another suffers because of a poisonous chemical sprayed long ago in Vietnam.

Thanks to you, the best trained, most capable team of professional veterans' benefits experts in America is available to all of these heroes. Working out of DAV offices across the United States, these National Service Officers help hundreds of thousands of veterans and families access disability programs each year - programs they need to move forward with their lives.

Best of all - and thanks to you - no veteran or member of a veteran's family ever has to pay a penny for this invaluable service. After all, those who shed their blood and sacrificed their health for our country have already paid enough!

Thank you for the crucial role you play in this and every other part of DAV's mission. Your generosity is a force for change in the lives of American heroes.

Most Sincerely,

J. MARC BURGESS  
National Adjutant/CEO
